

## Pricelist from November 2011

# Sieltec

All colours can be combined. The surcharge for colour combinations is **12,00 € per horse and per harness.**

For **further reinforcements, linings, models and decorations** we also have to charge a small surcharge: for all additions (mostly per set) **12,00 €**

On your indication we can also fit additional buckles to the harness, eg to the neck strap or the hip straps, which is recommendable for frequent use on different horses. The surcharge is 6,00 € per additional attached buckle

Driving lines and head pieces can be optionally supplied with bucklingends from Biothane and buckle.  
**It's 8,00 € per buckle.**
